CONNECT TO YOUR TV

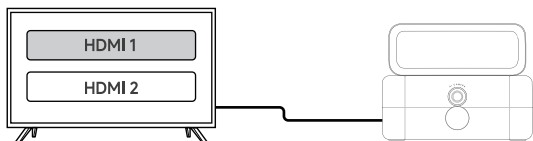

- 1 Connect the HDMI cable to your TV.

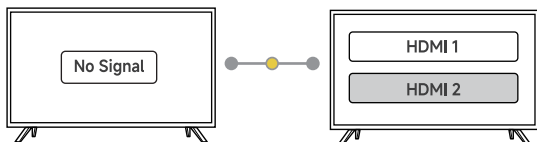

- 2 Plug in the power adapter.

- 3 Switch your TV to the HDMI input used.

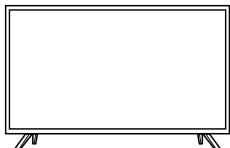

TIP: Check the HDMI input if you don't see Sparkle.

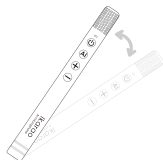

USE THE MICROPHONE AS CURSOR

- 1 Point the top of the microphone toward the screen.

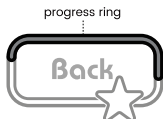

- 2 Wait until the star icon appears, then move the microphone to control the star.

- 3 Move the star to the area you want to select, and wait for the progress bar to finish loading.

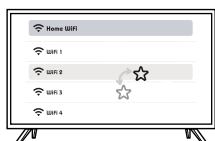

- 4 To return to the previous screen, move the star to the Back button and wait for the progress bar to finish loading.

NOTE: Button confirmation is usually not required. Hover the cursor over the target for about 1 second, and Sparkle K1 will select it automatically. To cancel, move the cursor away before the progress ring completes.

CONNECT TO WI-FI

1 Choose Wi-Fi on TV

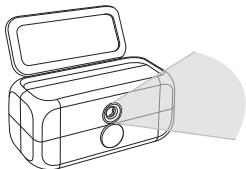

2 Scan TV QR with Phone

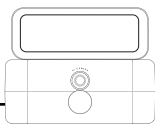

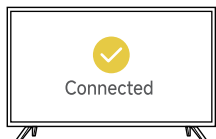

3 Enter your Wi-Fi password on your phone. Then a new QR code will appear on your phone.
